Annual General Meeting Minutes

Date: 28 September 2025

Time: 4:00 PM

Venue: Society Club House

Managing Committee

President: Amit Kulkarni

Secretary: Sandipan Dutta

Treasurer: Manish Deshpande

Member: Sameer Sunkle

Member: Ashish Deoshtali

1. Confirmation of Previous AGM Minutes

The Secretary, Sandipan Dutta, presented the minutes of the previous Annual General Meeting. Members confirmed that the action items relating to lift maintenance, repainting of common areas, housekeeping improvements and vendor contracts had largely been completed. Questions were raised regarding two pending waterproofing items and the committee explained that the contractor requested work after the monsoon. After discussion, the minutes were confirmed without modification. Proposed by Rahul Mandhare and seconded by Vinay Kelkar. Resolution: Approved unanimously.

2. Secretary's Annual Report

The Secretary presented a detailed report covering maintenance activities, complaint resolution, digitization of resident records, reduction in outstanding dues, increased participation during festivals and successful implementation of online maintenance payment. Members appreciated quicker complaint closure while suggesting better communication regarding planned maintenance shutdowns. The committee agreed to publish a monthly digital newsletter.

3. Treasurer's Financial Report

The Treasurer presented audited income and expenditure statements for FY 2024-25. Maintenance collections improved significantly compared to the previous year. Expenditure increased because of lift servicing, generator overhaul, plumbing repairs and CCTV upgrades. Several members requested quarterly financial summaries. The committee accepted the suggestion and resolved to publish summarized financial statements every quarter.

4. Budget for FY 2025-26

A detailed budget covering maintenance, security, gardening, housekeeping, electricity, water procurement and sinking fund allocation was discussed. Members debated whether maintenance should increase immediately or after six months. After reviewing inflation and vendor quotations, a modest increase was approved while protecting the sinking fund.

6. Infrastructure

Detailed discussions were held regarding repainting, waterproofing, storm-water drainage, lift modernization, rainwater harvesting, replacement of LED lights, solar feasibility, fire safety equipment servicing and clubhouse renovation. Separate technical committees will obtain three competitive quotations before awarding work orders.

Other Matters

Member Suggestion 1. Residents discussed parking discipline, pet guidelines, waste segregation, festival planning, children's safety, vendor monitoring, digital complaint tracking, landscaping, preventive maintenance and energy conservation. The Managing Committee recorded every suggestion and resolved to review implementation progress during quarterly committee meetings. Appropriate proposals were either approved immediately, referred to sub-committees for technical evaluation, or deferred pending quotations and statutory approvals.
