

MEGHVARSHA CO-OPERATIVE HOUSING SOCIETY LTD.

Special General Body Meeting Minutes

Date: 22 March 2026

Time: 5:00 PM

Venue: Society Club House

Committee Present

President: Amit Kulkarni

Secretary: Sandipan Dutta

Treasurer: Manish Deshpande

Members: Sameer Sunkle, Ashish Deoshtali

1. Review of Action Taken

The Secretary presented the compliance report against resolutions passed during the September 2025 AGM. Waterproofing work, CCTV Phase II procurement and LED replacement had progressed satisfactorily while the solar feasibility study required additional quotations. Members requested a milestone tracker to be circulated monthly. The committee accepted the recommendation and committed to publishing progress updates.

2. Summer Water Management

With increasing temperatures, members discussed declining borewell yield and dependence on water tankers. Multiple residents suggested installing smart level sensors and monitoring daily consumption. The committee approved immediate leak detection, negotiated tanker contracts for the summer season and sanctioned expenditure from the maintenance reserve.

4. EV Charging Proposal

Growing EV ownership prompted discussion regarding dedicated charging infrastructure, electrical load assessment and billing methodology. Members debated common versus individual metering. It was resolved to begin with a pilot installation serving a limited number of parking bays.

Member Suggestions

Suggestion 1. Residents discussed digital visitor passes, children's safety, speed breakers, pet etiquette, waste segregation, common area cleanliness, maintenance recovery from defaulters, clubhouse booking policy, festival planning, landscaping improvements and preventive maintenance schedules. The Managing Committee recorded each point, clarified implementation constraints where necessary and either approved the proposal, referred it for technical evaluation or scheduled it for the next AGM depending on budgetary implications.
