

Notice: Lift Maintenance

Date: 20 July 2026

Schedule

Annual maintenance of all lifts will be carried out as follows:

Monday, 27 July 2026, 10:00 AM to 2:00 PM

During Maintenance

One lift per wing will remain operational at all times. Residents are requested to expect short delays and to give priority to senior citizens, children, and anyone carrying heavy items.

Safety Reminder

Do not force open lift doors. In case of a lift emergency, press the alarm button inside the cabin or call the security desk; intercoms connect directly to the gate cabin.
