

Visitor Policy

Effective: 10 January 2026

Visitor Timings

Visitors are allowed between 8:00 AM and 10:00 PM on all days. Visitors arriving after 10:00 PM may be allowed entry only with prior intimation to the security desk by the host resident.

Gate Registration

All visitors must register at the main gate with their name, purpose of visit, and the flat number they are visiting. Security will call the host flat to confirm before allowing entry.

Overnight Guests

Overnight guests are permitted. Residents should inform the society office in advance if guests will stay for more than three consecutive nights.

Delivery Personnel

Delivery personnel (food, parcels, couriers) are allowed up to the lobby of each wing. They are not permitted on residential floors unless the resident has asked security to allow entry.

Domestic Help and Drivers

Domestic help, cooks, and drivers must be registered at the society office with a photo and police verification copy. Entry passes are issued for registered staff and must be carried at all times.
